- LOCATION: *Allan Marshall Pool, Trent University*
- FACILITY: *6 Lanes, 25m pool, ARES21 Timing System*

- MEET PACKAGE: The only meet package which will be considered as valid must be the most current version found on [www.swimming.ca](http://www.swimming.ca)
- COMPETITION COORDINATOR: *Jeff Pammett Level 4 bldr01@aoninc.com*
- MEET MANAGER: *Brian Turner meetmanager@trentswimming.com*
- DESCRIPTION: The meet is timed finals only, no scoring and awards for top six placing based on gender and age classification.
- COMPETITION RULES: Sanctioned by Swim Ontario.  
All current Swimming/Natation Canada (SNC) rules will be followed.
- Please note that Swimming Canada Competition Warm-Up Safety Procedures will be in effect. The full document can be viewed [HERE](#).
- For club and provincial meets, a swimsuit that covers more of the body such as modesty swimwear or religious cover-ups is permitted providing that the fabric is permeable open mesh textile material and does not give the swimmer an advantage. The full interpretation can be viewed [HERE](#). Advanced notification or for clarification of interpretation please see the Competition Coordinator.
- AGE UP DATE: Ages submitted are to be as: *Nov 12, 2017*
- MIXED-GENDER: The Swim Ontario statement on mixed-gender swimming is set out as follows:  
Notwithstanding Rule SW 10.1 adopted by the Technical Swimming Committee of Swimming/Natation Canada, Swim Ontario will consider requests for sanction for meets that provide for mixed gender swimming in the following circumstances:  
The host seeks an exemption from the requirement to swim events in gender separated events, on the following basis (*choose appropriate circumstances*):  
 This is an age group meet for which swimmers who have achieved a qualifying time equal to a 'B' time or faster are de-qualified.

- This is a meet hosted by a Region to offer developmental opportunities for swimmers with that Region.
- Due to facility or time limitations, swimming separated by gender would not permit all swims to be completed while offering reasonable opportunities to swim for all participants, and in particular on an equitable basis for swimmers of each gender.

Mixed gender swims may also be permitted when, due to a missed swim, it is necessary for a referee to seed a swimmer in a heat of the same or shorter distance, for competitors of the opposite gender, on an exception basis.

In spite of this rule, any swimmer who achieves a record time at any level (regional, provincial, national etc, whether age group or open) will not be recognized for that record unless the coach has advised the referee prior to the start of the session that there is a possibility of the record being broken, and the referee insures that the swimmer competes with competitors of the same gender for his/her heat.

In the event that mixed gender swims are permitted pursuant to this policy, the results must still be posted separately by the gender of swimmers.

ELIGIBILITY:

All athletes must be registered as Competitive swimmers with SNC, or any other amateur swimming organization recognized by FINA. A valid SNC registration number is required for all Canadian swimmers, and entries without a SNC registration number will be declined entry (*choose appropriate circumstances*):.

- Preference will be given to the host club first.
- This is an invitational meet. Participation of this meet is at the full discretion of the host club.
